# A WORD FROM OUR SENIOR PASTORS

2 Timothy 2:15

Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth.

Our mandate from God is to make disciples of all nations, to feed His sheep, and to provoke each other to love and good works. We are to live in such a way that others will be able to follow our example. King's Cathedral and Chapels is serious about the truth of God's word. In order to be accountable to God, the church, and the world, we are training God's anointed for service. Our faith, doctrine, example, and mission are the command of the Lord and thus not an option. Each semester of training will equip students with knowledge, understanding, and wisdom based on the Word Of God and His working among us. We want to pass on more than DNA. We want to expose each student to the power of the Holy Spirit, real healings, miracles, and the anointing that is for every believer today. Our goal is to make disciples that will know God intimately, do what pleases Him, and be like our Lord.

# WHAT IS KSM?

*Be a Disciple. Make a Disciple.*

King's School of Ministry is designed to be a catalyst for men and women who desire to enter into a life of ministry. Ministry is incredibly multifaceted, and therefore, effective ministerial training must be so as well. KSM meets this demand through simultaneously focusing on theological training, leadership development, practical experience, and spiritual enrichment.

KSM combines academic courses with hands-on ministerial internships, and personal mentorship to create the most holistic experience possible. Not only does KSM commit to providing a comprehensive ministerial foundation but it fulfills the educational requirement for licensing under KCI: King's Commission International. Moreover, KSM offers a full-time, live-in program, for ages 18 - 29, fostering an environment where students can immerse themselves fully in their training and community, allowing for deeper growth and integration of their learning experience.

# TESTIMONIALS

Pastor Alex Betsill

“As a young man, KSM gave me an opportunity to learn and sharpen practical ministry skills while serving in ministry and also learn deep theological truths in a classroom setting. My faith and vision were always challenged and encouraged to do great things for God. The instructors and pastors spoke life into me and helped me see myself and my worth just as God does. This ministry school has left a lasting impact on me that I will never forget.”

Pastor Billie Mamuad

“I felt God calling me into ministry but didn’t really know what steps to take. After hearing about KSM, I knew that is where I needed to be. I moved from Oklahoma to Hawaii and began my journey. During my time at KSM, my relationship with God was strengthened, I was challenged, and I grew in my faith. Yes, you gain hands on training and impartation from some of the greatest leaders, but you also learn how to hear the voice of God and follow His direction on your own! I encourage anyone who wants to pursue ministry or grow in their relationship with God to sign up. Don’t delay the call God has for you!”

Minister Angelo Malaqui

“God had other agendas for me after high school, and little did I know it was through this program! Because of KSM it educated me in many things. Not only instructing me to do the work of the ministry and moving the kingdom of God forward but also teaching me life lessons outside of the church. I’ve attained a great foundation in my relationship with God through the program but also life long friendships. I wouldn’t trade this experience for anything! Don’t miss out on what God has for you in KSM!”

## MINISTRY INTERNSHIPS

Ministry is undoubtedly a hands-on learning experience. At King's, we recognize the value of practical immersion in understanding the dynamics of church operations. As a first-year student, you'll embark on a rotation of internship tracks designed to provide a comprehensive view of the inner workings that enable the church to thrive.

Drawing from the wealth of practical wisdom accumulated by our seasoned pastors, ministers, and leaders, you'll have the invaluable opportunity to serve alongside and glean insights from these veterans of ministry.

Aligned with King's pillar structure, the internship track ensures a well-rounded training experience, enabling you to delve into various aspects of ministry. Each student will have the chance to apply for a semester-long internship in their area of interest. Moreover, complementing their chosen ministry track, students will also receive training from our Administration and Experience teams.

In their second year, students will transition to a more focused study in their chosen area of ministry, allowing them to cultivate expertise in their desired field. This shift in focus will deepen their understanding and proficiency, preparing them for effective service in their future roles.
