Conclusion

Keep The Conversation Going

We are so proud of you! You've made it through all 10 Pillow Talk conversations—and we're so grateful you chose to invest in your marriage.

But the conversation doesn't end here.
Marriage changes. Seasons change. You change. The conversations you had today may look completely different a year—or ten years—from now. That's why we encourage you to come back to Pillow Talk. Revisit the chapters when you enter a new season, face a challenge, need a reset, or simply want to grow closer again.

Keep talking.
Keep listening.
Keep forgiving.
Keep dreaming.
Keep pursuing each other.
Keep praying together.
And above all, keep Jesus at the center of your marriage.

Pass It On

If this journey has strengthened your marriage, share it with someone else. Invite another couple to read the book, watch the videos, or go through Pillow Talk with a group. A stronger marriage doesn't just impact the two of you it can impact your children, your family, and generations to come.
